Warmly welcomes you to
Singleton Public School

Singleton Public School P&C Association – for the benefit of EVERY Student.

Who are we?

The Singleton Public School P&C is a bunch of mums & dads, grandparents & carers who volunteer to help support the needs of the students and the school.

We provide services within the school and raise money to help fund projects for the school for the benefit of EVERY student.

We rely on volunteers to achieve our goals and we encourage everyone to get involved and do something.

What do we do?

The P&C supports the school by providing services within the school.

- Canteen
- Breakfast Club
- School Band
- Working Bees
- School Yearbook

We raise funds to purchase many items for the school including:

- Shortlisted Library Books each year
- Sunscreen & hand sanitiser for every classroom
- Subsidise excursions
- Football Jerseys
- IT Equipment: Comm boxes, laptops, ipads

Playground Upgrade

The P&C contributed \$60,000 toward improvements to the playground which was opened in 2021 and was responsible for securing \$65,000 worth of funding from Glencore to complete the project.

- To order lunch or recess go to Flexischools, the orders are then delivered to your child's class.
- Counter Service will hopefully be available again in 2022, this gives students the opportunity to come to the canteen counter with cash and purchase a drink or snack at both lunch and recess.
