Week 11 Term 1

QUALITY RESPECT RESPONSIBILITY

9 APRIL 2014

Well done to all of our students for their continued efforts both in and out of the class room for the past eleven weeks. I am very pleased to see the high levels of enthusiasm that you continue to show in your lessons and activities when I visit your classrooms. I am also very impressed in the manner in which Kindergarten has settled so quickly into the routines of school.

A parent was expressing to me today how many positive activities that our school offers compared to others in the area. The school is always looking at new and innovative ways to support our students and help them achieve at school. Among the programs that have been operating this term we have had the Breakfast Club operating daily; the African Drumming program each Wednesday; Early Notes and Performance bands; extensive in class and playground support by our wonderful group of School Learning Support Officers; our new Boys' Club; ongoing development of our Veggie Garden by the Green Team; as well as Rugby Union, netball and Active After School sport.

Term Two will be no exception with Year 6 ready to 'rock' our National capital; the visit of Harold and the Life Education Van; School Photos; and the beginning of guitar lessons and the Ethics Program at Singleton Public School. Hopefully by the start of Term 2, our school will have a fully operational App' for mobile phones to assist in communication between the school and home. Many of the opportunities that we provide our students are due to the dedication of our parents and staff – thank you one and all for the contribution you make to the school.

Please mark on your calendar April 25th – ANZAC Day – for all students to dress in full school uniform and proudly march with other members of the Singleton community as part of the annual Anzac Day activities. More details regarding the day and meeting point will be inside this edition of the newsletter.

I trust you will have a relaxing and enjoyable holiday break with your families. Come back refreshed and recharged as Term 2 will be a hectic time full of interesting teaching and learning.

### School Crossing Near Miss Register

All parents and community members are encouraged to register with the school all cases of near misses on the School Crossings on Elizabeth and Hunter streets. The school is working with Singleton Shire Council to develop a proposal to upgrade the safety of these crossings and we need to produce relevant data.

When you contact the Office please list the street you were on; the approximate time; and the direction the vehicle was travelling. The Office can be contacted on 6571 2250.

## ANZAC Day March

Marchers from Kindergarten to Year 6 are invited to participate in the ANZAC Day March to be conducted on Friday, 25<sup>th</sup> April down the main street of Singleton. This is a great tradition in which we can demonstrate our pride and respect to an important sector of our community. Students will need to be in full school uniform. Staff will be on-site to organise and march with our students.

All students are to meet at the Bailey's Union Park, John Street at 10.15 am and be ready to march at 10.30 am. The march will conclude at the Civic Centre where the official Anzac Service will be held on "The Civic Green" at 11.00 am. Students can be collected after they have marched and before the Service commences. It will be up to parents if they wish their child to participate in the service.

Where: All students (K-6) meet at Bailey's Union Park, John Street.

## Zone Cross Country

Last Thursday was the Zone Cross Country Carnival at Karoola Park in Muswellbrook. Our school had 22 students compete on the day in both the 2 km and 3 km races. The day began with the 12/13 Year old boys and then girls and went in descending age order throughout the day.

A big congratulations to all the students who attended on the day. You all tried your very best and made your school proud. Your behaviour on the day was also excellent and you represented your school with pride.

From the carnival our school had 7 students make it through to the Regional Carnival, they were: Tess, Chloe, Sophie, Ryan, Ethan, Lucy and Brock.

Best of luck to these students at their next event, I'm sure you will do our school proud.

Joel Andrews  
Sports Co-ordinator.

## Canteen News

Thank you for your support this term. The funds raised by the canteen help fund school projects.

Have a happy and safe Easter and see you all next term.

## Positive Behaviour for Learning – PBL

### Wearing correct school uniform with pride

I believe that I have seen every student in our school wear their full school uniform throughout Term 1. For this week and the beginning of next term I challenge all students to come to school in 100% perfect uniform including black shoes and hats. Our uniform is outstanding and is clearly identifiable in our wider community. I have to admit – it certainly is an improvement on the grey and grey that I used to wear in primary school.

### Information from the DEC

#### Managing screen-time

Helping kids find the right balance between activities, homework and screentime is a challenge that only gets harder as they grow older. Commonsense Media has lots of useful resources to help – from movie and game ratings to articles like this one on setting screentime limits that are realistic enough that your children will actually follow them. Read the article here: <http://bit.ly/1pBIfmk>

#### Books to boost brains

Literacy skills often progress suddenly in leaps and bounds. The secret is to keep kids of all ages reading over the week-ends and school holidays. Even 20 minutes a night can make a huge difference to their reading, comprehension and general knowledge. It's also a great way to settle their minds down before sleep (for adults too!). If your child hasn't found a book that grabs their imagination, why not try them on a series book from the Premier's Reading Challenge list? Here are top suggestions for all ages, including young adult : <http://bit.ly/1dLSGC0>

### Credit Card Payment Slip

The school can accept credit card payments (Visa and Mastercard only) over the phone or by mail. Please note, this is not an EFTPOS facility. EFTPOS (Savings or Cheque a/c) can only be paid over the counter.

## **Easter Hat Parade and Raffle**

On Thursday, 10th April the school will be having an Easter Hat Parade under the COLA starting at 10.30am. Parents and students are welcome to create their own hats or some classes may even make their own. There will also be a Easter Egg basket to be raffled on the day. Tickets for the raffle can be purchased under the COLA at 1st lunch starting on Monday 7th April. Tickets will be @1.00 per ticket or \$2.00 for 3 tickets.

## **Lost Property**

The office has several sets of children's glasses that have been handed in over time. Two sets are in a case - one an Adidas case and one in a case from an Optometrist in Woy Woy. Other glasses are blue framed (brand name Senses Collection by Rimoptics) and two with silver frames (one brand Offside).

There is also a green wallet with no name in it.

If you think that any of these items might be your child's, please come to the office.

## **Year 3 Outdoor Experience Excursion Payment**

The deposit for the Year 3 Outdoor Experience Excursion is now overdue. If you would like your child to participate in this excursion, please contact the school office as soon as possible.

## **Year 4 Sydney**

The total cost for the Sydney excursion have now been finalised. The total cost for students is \$275.00 (less the deposit of \$20.00 paid, leaving a balance of \$255.00) and the cost for adults is \$290.00 (including \$11.78 GST).

Should any parents/carers wish to put their name down to go on the excursion, please advise the school office as soon as possible. Interested parent names will be balloted in Term 2.

The children will need to wear their school uniform during the day but will also need sensible casual clothes for afternoon/night time activities. Further details will be sent home closer to the date of the excursion.

## **Congratulations Keelie**

Earlier in the year Keelie from 6M participated in the zone girls soccer trials and from here was selected for the regional trials. On Friday, 4th April Keelie was then selected for the 2014 Hunter Region PSSA girls soccer team. She will now participate at the state competition at Nelsons Bay on the 24th June. From this game a state team will be selected to represent NSW at the Nationals. Good luck Keelie.

## **Netball Game –v– Singleton Heights PS**

On Monday, 7th April the senior girls' netball team went down to Rose Point Park to play Singleton Heights Public School in a knockout competition. Sadly we were defeated but we played an extremely good game. This game gave us a chance to improve our skills and it taught us a lot. We would like to thank Mrs Merrick for organising the team and all the parents that came along and helped out.

## Harmony Day

On Wednesday 2nd April we had a Harmony Day celebration.

The Student Council read an acrostic poem about Harmony and the Red Cross Foundation.

The Year 6 Councillors went to different stations.

First of all the captains went to meet and greet the Coles staff, Library staff and performers and brought them to their station.

Secondly the Year 6 Councillors introduced themselves to the Performers.

After that the Performers started talking about their multi-cultural countries.

When the shows were done Coles cooked a barbeque with different types of meat such as kangaroo sausages, Mexican sausages, Italian sausages, German sausages and South African sausages. Stage 3 were the only ones who got to try the meat.

At 2:00pm Year 6 Councillors handed out platters from different countries. K-6 students got to try the food. There were Portuguese lollies, Swiss cheese, camembert cheese, corn chips, salsa, dips, and so much more.

As a Year 6 Councillor I think it was a fantastic and wonderful day. But this day wouldn't be spectacular if it wasn't for Coles and Library workers, performers, Student Council, Mrs Merrick and Mrs Pearce!

## Canberra Excursion

The Year 6 Canberra excursion is fast approaching. Full payment is required at the office by **Friday 11 April** (last day of Term 1). Please contact the office if you have any queries regarding payments.

## Primary Ethics

Commencing in Term 2, Singleton Public School will become the first school in the area to offer Primary Ethics as part of its Special Religious Education (SRE) program. The program will initially be offered to students in Stage 1 and will be delivered by authorised presenter Mr Geoff Matthews during our regular scripture times. Mrs Jan Fallding is acting as the programs coordinator and she welcomes interested parents and carers to discuss the program with her if you have questions. Please note that for any child to participate in a Primary Ethics class that is offered, the school MUST receive a signed and dated note that clearly states that the child is to attend Primary Ethics.

## Rugby 7s Union

On Monday our school competed in a Rugby 7s competition held at Marcellin Park, Lorn. Our school had 2 teams entered into the competition and they were placed in separate pools. Each team played 3 pool games before lunch. After lunch the finals were calculated and we were then condensed into one team for our final game. In our final match the boys played very well and won 5-1.

As a result, our rugby 7s team now progress to the next stage of the competition in Newcastle early next Term. Well done to all the boys for their sportsmanship and great behaviour on the day.

Sports Co-ordinator

## Guitar Lessons

Commencing next term, staff from Singleton Sound Solutions will be conducting guitar lessons at the school each Tuesday afternoon. This program is being made available to provide more children the opportunity to engage with music and learn an instrument.

For a term cost of \$44 students will be able to access a weekly 30 minute lesson with four peers. Students will also be able to purchase a guitar on a payment plan so that they can learn and practice on their own instrument. Singleton Sound Solutions will also have 'borrow' instruments available at each lesson for students to use prior to committing to the purchase of an instrument.

We need at least 10 participants for this program to operate and may be limited to 20 participants. Please return the attached interest slip to the school to register your interest in this program.

Our tutors will be Nick Gibbs and/or Josh Hogan

## **Parent Volunteers**

At the conclusion of our first term, it is the perfect opportunity to say thank you to all of the parents and carers that volunteer in our school. We have volunteers in the canteen, the clothing shop, breakfast club, in our classrooms and more!

We would like to remind all parents/carers that they must fill in a 'Working With Children Check' form before volunteering. This form is available at the office and needs to be returned with documents ready to copy for a 100 point check (eg birth certificate (70 points), passport (70 points), driver's licence (40 points), etc).

Pictured with Tahi and Shanae is our parent volunteer Mrs Brown who is helping out with reading groups in 2Z.
