Week 6 Term 3

QUALITY RESPECT RESPONSIBILITY

20 AUGUST 2014

I would like to share with our school community the news that I shall be away from our school for an extended period from the start of September. Recently, Mr Frank Potter, Executive Director, Public Schools NSW offered me the opportunity act in a relieving capacity as Director, PSNSW based out of the Tamworth Education Office. I have accepted this offer as it provides a great learning and career opportunity. This position leads on to a period of long service leave that I have had scheduled for some time, therefore I will be effectively away from our school until mid-November.

During this period, Mr Russell will undertake the role of Relieving Principal of Singleton Public School with the support of our executive team and other staff. I have every confidence that our school will continue to operate smoothly and that normal operation, along with our many wonderful opportunities that occur at SPS, will take place during my absence.

Next Monday evening, Mrs Launder and I will be discussing Kindergarten 2015 with many of the parents and families of our in-coming students. We will be having three Kindergarten classes next year as the numbers of students in zone and/or with sibling rights are very high. From previous experience the information nights are highly valued by our new parents and provide valuable insight to the transition to school process.

I would like to encourage parents and interested community members to become active in our P&C committee. The attendance at the last meeting in August was very low and this is a great shame as the P&C is meant to be a representative of our school community. All interested parties would be welcomed. Please try to make the next meeting which is scheduled for Wednesday 3 September in the School Library commencing at 7pm.

A warm Singleton PS welcome to Anika (Yr 6) and Leon (Yr 3) – trust me the weather is normally a lot nicer here! I am sure that you will quickly make heaps of new friends and have a great time at Singleton Public School.

David Crowe  
Principal

### Illness at School

We have noticed an increase in the number of children coming to school 'under the weather'. Common symptoms include high temperatures, lethargy, and headaches. In addition, a number of children have developed quite bad ear-aches. If your child is ill please keep them at home so that others do not become sick. With 20 – 30 children in one room, illnesses can be transmitted very easily.

## Premier's Spelling Bee 2014

On Thursday 14 August, class representatives took part in Singleton Public School's Spelling Bee. The competition was broken into two sections; Junior (Years 3 and 4) and Senior (Years 5 and 6).

Each round the students were faced with progressively more difficult words, a most nerve-racking event. The results were as follows:

Junior: Winner – Lucy

Runner up – Zoe

Senior: Winner – Zaynab

Runner up – Callum

These four students have been invited to participate in the Regional Spelling Bee, to be held at King Street Public School, on Wednesday 17 September, 2014.

Congratulations to all the participants in our school competition and best of luck to Lucy, Zoe, Zaynab and Callum.

## Birthday's at School

Just a reminder about student birthdays at school. Parents and carers are welcome to bring in a cake or cupcakes for their child's birthday at school. Please deliver the cake/s to the classroom before 9.10 on the day to avoid interrupting class time.

## The simplest way

...to food shop on a budget

Here are our five top tips to save money while shopping for your fruit and veg.

1. Create a weekly menu plan
2. Write a shopping list based on menu plan
3. Compare prices using 'unit pricing' (per kilo/100grams) if available
4. Buy fruit and vegetables that are in season, or pick the canned/frozen option if cheaper (and just swap them)
5. Limit your purchases of processed pre-prepared snacks/meals

### Information from the DEC

Your child may not go on to become a famous musician, actor, dancer, filmmaker or artist.

But by nurturing the artist in your child you can help them grow up able to think for themselves, problem solve and work out different ways to do things.

They'll also be better able to see different points of view, communicate and express their feelings in different ways.

Here are some top tips:

Stimulate your child's senses - Provide opportunities for your child to experience different sights, smells, sensations and sounds. These sensory activities are food for the brain.

Don't overschedule your child - Resist the temptation to overcrowd your child with organised activities in an attempt to nurture their creativity. Allow them time to be alone, to daydream and to think.

Encourage experimentation and exploration - A cardboard box has limitless potential. Provide materials and objects that encourage your child to explore ideas, experiment, imagine, play and perform.

### Credit Card Payment Slip

The school can accept credit card payments (Visa and Mastercard only) over the phone or by mail. Please note, this is not an EFTPOS facility. EFTPOS (Savings or Cheque a/c) can only be paid over the counter.

This facility can be used to pay school contributions, excursions, uniforms or P&C levy etc. The minimum payment is \$20.00. Building Fund and Library Fund cannot be paid by credit card.

## PBL Post-It "Demonstrating Resilience"

In some regards, building and demonstrating resilience is becoming a challenge for many children. It appears that they lack the personal and social skills to deal with conflict, disappointment, failure, defeat, unhappiness, etc... As all adults know, 'life is not a bed of roses (or a box of chocolates)' and that for every up in life there seems to be a down.

Are we too focused on being happy? Do we focus on victory too often?

In a book I read, "The Happiness Trap", the author describes a self-fulfilling pattern of doom because people believe that they always have to be happy – and if they are not happy they feel that they are wrong and become more depressed or low. We all need to realise that the so called negative feelings of sadness, apathy, sorrow, anger, etc. should be in direct balance with joy, elation, love, etc.

An interesting topic of conversation to have with your kids maybe.

## School Supplies

Could all parents/caregivers of students please check their child's pencil cases to ensure that they have enough school supplies. This includes coloured and lead pencils, glue sticks, rulers, etc.

## P &C Points of Interest

HELP – our P&C is currently in the planning phase of our annual school fete and your assistance would be welcomed. Do you have any talents, skills, or even time to assist with the conduct of a great school community day? We would love to hear from people with busking skills, talents as a face-painter, or willingness to whip together some candy-floss. Every bit of support contributes to a successful day. If you can assist please forward your details to Mrs Bunnemeyer through our School Office.

## Father's Day Breakfast

To celebrate Father's Day, the school has organised a Father's Day breakfast for dads and their kids. This will be held on Friday, 5 September - the same day as the School Fete - between 7.00 - 8.30 am.

Breakfast will be supplied by Coles and will include bacon and egg rolls, juice, tea and coffee.

If you are able to come to the breakfast, please fill out the slip below for catering purposes and return to the school office by **Friday, 29 August.**
