Week 1 Term 3

QUALITY RESPECT RESPONSIBILITY

20 JULY 2016

Welcome to Term Three

How exciting it is to think that we are half way through the school year. I trust that everyone has had a productive holiday period and enjoyed time spent with families and friends.

We welcome Mrs Trish Bailey and Mrs Natalie Moore who have stepped in to fill the vacancy caused by Mr Russell's promotion. I am sure that 3/4R will quickly adapt to having these two wonderful teachers in their lives. Mrs Diane Merrick has been appointed to relieve as Assistant Principal until Mr Russell's position is filled by the Department of Education.

There are many exciting and interesting events scheduled for the next ten weeks including Education Week, Year 4 Excursion to Sydney, NAIDOC Day celebrations, Year 3 Overnight Excursion and, of course, the School Fete scheduled for Friday 9 September. Please ensure that you keep abreast of what is occurring in our school by regularly checking the school newsletter or downloading the School App.

Aboriginal Students – Personalised Learning Plans

As a part of the Government's commitment to enhanced educational outcomes for all Aboriginal students, our school will be conducting Personalised Learning Planning meetings with parents and carers throughout this first week of the term. Miss Julie Sullivan has worked hard behind the scenes to schedule these appointments for our students and their families. We are hoping to have all plans logged into a new software application, MGoals, which enables students and parents to track progress against these agreed goals.

Athletics Carnival

Thank you to Mr Ison for organising such a great event for the last day of Term 3. Even though the weather was chilly, the level of participation and competition was high. A huge "thank you" to all of our parent helpers that assisted throughout the day. Without the support of our parents to judge, measure and coordinate the day would not have been as smooth as it was!

Kindergarten Enrolments 2017

Do you have, or know of, any children that live in our zoned area that should be attending Kindergarten in 2017? If so, please ensure that their details are provided to the school office as soon as possible to maximise their chance to be enrolled in 2017. Our first Information Evening will be conducted on Monday, 22 August.

David Crowe – Principal

Education

Rugby League

On Wednesday of the last week of Term 2, the Opens Rugby League team played their round three game of the PSSA Knockout against Muswellbrook. Unfortunately we didn't come away with a win so that now ends the season for us. The boys have made a wonderful effort this year and have been a pleasure to train and coach. Thank you once again for the great support we have had from the Singleton Greyhounds in regards to fields and equipment. I'd also like to thank the boys from Singleton High School who have come to help at training and/or at the games. These boys have been extremely helpful and respectful at all times. Thank you to Daven Patton from Singleton High School for officiating as referee at our with the utmost professionalism. Lastly, from the boys and myself I would like to thank Dylan for his effort, enthusiasm and dedication as coach of the team.

Until next year,
Cathy Black

Singleton Public School - Runners Up - Victor Kelly Knockout Hunter Round

After an epic match against Forster Public School, the Singleton Public School Tennis Team travelled to Eleebana for the final match in the Hunter draw.

Social tennis was being played on all courts when we arrived, showing the keen interest in Tennis in the Eleebana area. Mr Manton and the Eleebana team had only a short walk from their school to the courts, and arrived ready to play.

Matches were played across 2 courts in very pleasant conditions. Without doubt, the Singleton team played some of their best tennis of the year.

Ethan served brilliantly with at least 5 aces for the day and hit some excellent forehand winners. Jack rallied extremely well and took his opponent in singles to a tiebreak. Emma, always cool under pressure, served and returned serve well to earn very valuable games. Kaitlin had a 30 shot rally with her opponent which had everyone captivated.

Eleebana were the winners on the day 5 sets to 3. Mr Manton and myself congratulated all the players and commented on the quality of the tennis played - and sportsmanship of all students.

We wish Eleebana all the best in the upcoming games.

I would like to take the opportunity to thank the students in our School Tennis team for their commitment, sense of responsibility and enjoyment of the game and the opportunity provided to them. I would also like to extend my gratitude to parents and grandparents who were so supportive of all the team and made their participation possible.

Great job guys, super effort.
Mr Ison

Smart Science Show

The SMART team are really excited to be bringing amazing science to your school. Be prepared to be inspired by our interactive science shows!

With the generous sponsorship of Coal and Allied the SMART team from the University of Newcastle will be coming to WOW you with our interactive 'SMARTbots' coding and robotics science show. During weeks 1 - 4 of Term 3, the Science Maths and Real Technology (SMART) team will be touring around the Upper Hunter Area and sharing the wonders of science. Keep your eyes peeled for us as we travel through the region!

Brought to you by Coal and Allied and the University of Newcastle.

 **Nutrition Snippet**

The simplest way

...to create healthy food swaps.

Make snacks healthy with an added fruit and veg boost! Try these simple swaps:

SWAP THIS:	FOR THIS:
Fruit juice – has very little fibre.	Smoothie – using a whole piece of fruit and keeping all the fibre.
Flavoured yoghurt – can be high in sugar.	Reduced-fat natural yoghurt with fruit – reduces sugar and fat, boosts fruit.
Packaged potato chips – high in fat and salt.	Homemade potato chips – thinly slice potato (or sweet potato), grill on lightly-greased tray until golden.
Muesli bar – can be high in fat and sugar.	Poppletana – unsalted popcorn + dried apple + sultana = nibble mix.

Year 4 Sydney Excursion

The final cost for the Year 4 Sydney excursion for students is \$320.00, less the deposit of \$50.00 leaving a remaining balance of \$270.00. Final numbers have now been given to the bus company, so no late payments can be accepted.

Playground Squad

As seniors in our school, Year 5 students who are wanting to show leadership in the school, are invited to join Playground Squad in Terms 3 and 4. The commitment is first half lunch Monday to Friday every alternate week, as well as guiding younger students in games and sportsmanship.

Parents and carers are asked to discuss this commitment with their child so they will be prepared to take up this responsibility as of Week 2, Term 3.

Further information to follow.

Kind regards
Mrs Pearce

Book Fair in the Library

The annual Book Fair will be held in the School Library on Thursday, 4 August from 8.00 am - 3.45 pm. The supplier for the book fair is Carnival Books. There will be a range of beautiful books and stationery items available for purchase on the day. EFTPOS will be available on the day. Students may attend the fair with their parent or guardian, or may attend during the day with their class. Children will have an opportunity to look at books with their class prior to book fair.

The theme this year is "Australia Story Country" so students can dress up as an Australian story character or similar theme.

There will be Book Week Parade held under the COLA at 10.30 am. Parents and carers are welcome to come along and see the wonderful costumes our students have come up with.

Band Workshop at Scone PS

On Wednesday, 27 July, 2016 both the **Concert Band and Training Band** will be attending the Upper Hunter Conservatorium of Music's Band Workshop at Scone Public School. This is a wonderful program, catering for all levels of musical ability.

This year band students will be travelling by bus at a cost of **\$15.00 per person payable to the school office by Friday, 22 July.**

Students will leave school from Elizabeth Street at **8.00 am SHARP**. The workshop finishes at 2.30 pm so the bus will be leaving shortly after that. Please note: the bus will not be back in time for the 3.10 pm school buses. The estimated time of arrival back at school will be approximately 4.00 pm.

Children will need to wear full school uniform. They will also need to bring instrument and music (and a stand if they have one), their school bag with a hat, morning tea, and drinks.

There is a sausage sizzle available for lunch on the day at a cost of \$5.00 (to be paid to Mrs Dibley on the morning of the excursion), which includes a sausage sandwich and a drink. If your child can not have a sausage sizzle due to allergies etc, please just pack them something to eat for lunch.

Statement of Accounts

Each term the school office sends home a financial statement to each family. The enclosed statement of account may include "Voluntary Family School Contribution", "P&C Voluntary Levy", payments for excursions, etc.

The "**Family School Contribution**" refers to the voluntary contribution scheme that all public schools operate. This is a very low \$60.00 per family per year. This money goes to providing the everyday resources needed in classrooms - pencils, paper, books, teaching aids, counters, craft supplies, reading books, etc, available to every child. Payment of as little as \$5.00 per week is possible if you prefer.

The P&C Committee has asked the school to collect a \$10.00 per child per term (or \$100.00 per family per year) "**Voluntary P&C Levy**" on their behalf. This is also shown on the Statement of Account. Although it is a voluntary contribution to the P&C, it is shown on the school invoice for bookkeeping reasons. This levy was introduced as a means of fundraising instead of organising stalls such as mothers' day and fathers' day stalls to make it easier for already busy people. In 2015, the P&C have donated funds towards air conditioning, projectors for smartboards in the classrooms, library books and literacy resources.

School Captains and Leaders, House Captains and School Council Photos

Sample photos of the 2016 School Captains and Leaders, House Captains, Year 6 photo and School Council are now available to view below or at the school office. A personalised order sheet with further details has been sent home with the children who had their photos taken in these groups. **Please do not misplace this form.**

Should you wish to place an order, please complete the form sent home with your child from MSP Photography. Payment can be made with the order form with the correct cash, the credit card slip on the order form placed in an envelope and sent to the school office. Payments can also be made at MSP online but please let the school know if you have placed an order. Payments and orders need to be placed by Sunday, 24 July 2016. **PLEASE DO NOT USE THE SCHOOL PARENT ONLINE PAYMENT SYSTEM FOR THE PHOTOS.**

Snugglepot and Cuddlepie

Singleton Public School will be running a Kindergarten only excursion to the Civic Theatre in Newcastle on Tuesday, 16 August to watch a performance of "Snugglepot and Cuddlepie". The performance starts at 12.00 pm.

There will be 3 teachers attending the excursion who will be responsible for the group of 60 children. The tickets for the children will be allocated on a **'first in, best dressed'** basis. The children will need to return the form and the full payment as soon as possible to ensure a place on the excursion. Please place money in an envelope and hand to the class teachers. It will then be sent to the office in our black bags. No money will be accepted at the front office. Please note: No parent online payments can be accepted either.

Please consider the approximate 1 ½ hr travel time both ways and the need for children to sit quietly during the hour long performance. There is no interval and no opportunity to leave the performance once it has started.

The excursion will be leaving school at 9.30 am. The bus will head straight to the park near Nobby's Beach for an early lunch. Then we will go to the Civic Theatre for the performance at 12.00 pm, before returning in time for buses back at school.

Children will need to wear full school uniform and hat. They need lunch, afternoon tea, and at least 2 drinks. Please no lollies or soft drinks on this excursion.

Fiona Moon, Excursion Co-ordinator

Thank you to the P&C

K/1L would like to say a big thank you to the P&C for the new resources for their class. Mrs Launders and K/1L students

Singleton Public School Fete - Support Unit Raffle

Once again the Support Unit will be running a Monster Raffle at our School Fete. We need people to contribute prizes towards the monster raffle so please send any donations to the Support Unit (Classroom with the underwater scene on the windows).

Some suggestions for prizes include gift vouchers, car wash kits packs, Father Days packs, pamper packs, toys etc. We are grateful for your support, thank you.

Support Unit

Bookclub

Bookclub order forms will be sent home this week. Orders and payments due back at school by Friday, 29 July.

Canteen Volunteers Needed

The canteen are calling for volunteers, if you can spare a day per month we would greatly appreciate seeing you.

Farewell to Mr Russell

On Thursday, 30 June the school leaders hosted an assembly to farewell Mr Russell. There was a slideshow with pictures of Mr Russell's time at Singleton PS as well as students paying tribute, Mr Crowe presenting a Graduation Certificate, a song and a tennis racquet guard of honour to see Mr Russell off.

It was a wonderful assembly and gave the school community a chance to say goodbye.

Athletics Carnival

On Friday, 1 July Singleton Public School held our Years 2-6 Athletics Carnival at Alroy Oval.

A blustery day greeted students, staff, parents, carers and families, but spirits were high and everyone was ready for a great last day of term, and to farewell Mr Russell. It was great to see so many students supporting their house through their house war-cry and competing in their house colours.

All track events were keenly contested and our Chief Judge Mr Crowe, was kept very busy at the finish line. Teachers, parent helpers and high school helpers were kept busy at the field events marking and measuring shot put, long jump and discus attempts.

Congratulations to all the students who attended and participated in events at our carnival. Students participated with admirable competitive spirit and pride for their house and themselves.

I would like to take this opportunity to thank all the teachers, parents and carers and parent helpers who helped make this day a great success. In addition, our high school helpers were invaluable. Thank you to the First Aid crew and to Mrs Grey and her canteen crew organising for lunch orders.

Well done Singleton Public School on your efforts, achievements and your behaviour at our 2016 Athletics Carnival.

Mr Ison,
Carnival Co-ordinator

Expression of interest for Assisted Travel Support Officer (ATSO) position

The Assisted School Travel Program (ASTP) often provides additional support to students with disabilities on transport. Assisted Travel Support Officers (ATSOs) support students with complex health or behaviour needs to ensure their safe travel to and from school. If you are interested in temporary part-time work as an ATSO the following website contains information on how to apply for the position.

For further information please contact ASTP on 1300 338 278 or email ASTP at atso.astp@det.nsw.edu.au

What's New on the School Website

Parent Online Payment

Our Parent Online Payment system is up and running! A new tab has been added to the school website under "Our School" called "Parent Online Payment" - <http://www.singleton-p.schools.nsw.edu.au/our-school/parent-online-payment>.

This tab explains the use of the new Parent Online Payment system including some instructions and a payment advice.

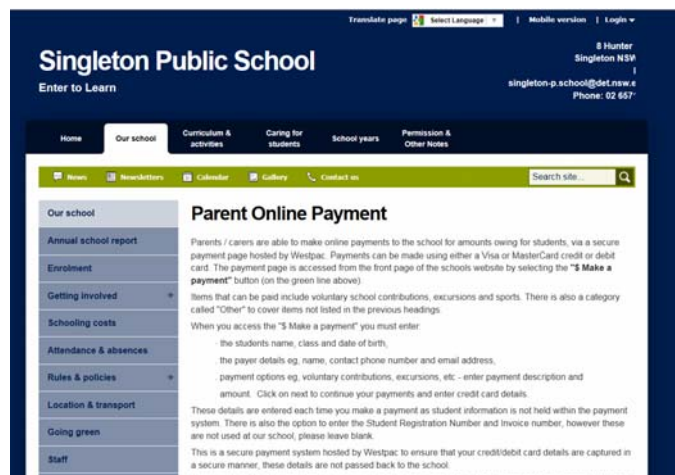

Please remember that some payments cannot be done through the system such as first in best dressed excursions, payments to the P&C such as the movie ticket fundraiser, payments for the school group photos for MSP Photography, etc.

Digital Citizenship

Another new tab has been added to the school website under "Curriculum and activities" called "Digital Citizenship" - <http://www.singleton-p.schools.nsw.edu.au/curriculum-activities/digital-citizenship>.

Singleton Public School has taken up an innovative program designed to help students become responsible digital citizens. The Common Sense Media program teaches students to make safe, smart and ethical decisions in the digital world and how to have a positive digital presence. The program is delivered one term each year with concepts reinforced throughout lessons as appropriate. Singleton PS also host Cybersafety Workshops for parents throughout the year depending on availability.

Common Sense Media also have a fantastic website for parents. There are also some useful links on the website.

Nationally Consistent Collection of Data School Students with Disability

Information for parents and carers

WHAT IS THE NATIONAL DATA COLLECTION?

The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students with disability and the level of reasonable educational adjustment they are provided with.

The national data collection counts students who have been identified by a school team as receiving an adjustment to address a disability under the *Disability Discrimination Act 1992* (the DDA). The DDA can be accessed from the ComLaw website at www.comlaw.gov.au.

WHAT IS THE BENEFIT FOR MY CHILD?

The aim of the national data collection is to collect quality information about school students with disability in Australia.

This information will help teachers, principals, education authorities and families to better support students with disability to take part in school on the same basis as students without disability.

The national data collection is an opportunity for schools to review their learning and support systems and processes to continually improve education outcomes for their students with disability.

WHY IS THIS DATA BEING COLLECTED?

All schools across Australia collect information about students with disability. But the type of information currently collected varies between each state and territory and across government, Catholic and independent school sectors.

When undertaking the national data collection, every school in Australia will use the same method to collect information. Therefore, a government school in suburban Sydney will collect and submit data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The information provided through the national data collection will enable all Australian governments to

improve target support and resources to benefit students with disability.

WHAT ARE SCHOOLS REQUIRED TO DO FOR STUDENTS WITH DISABILITY?

All students are entitled to a quality learning experience at school.

Schools are required to make reasonable adjustments, where needed, to assist students with disability to access and participate in education free from discrimination and on the same basis as other students.

These responsibilities are outlined in the DDA and the Disability Standards for Education 2005 (the Standards). The Standards require educators, students, parents and others (e.g. allied health professionals) to work together so that students with disability can participate in education. The Standards can be accessed via the ComLaw website at www.comlaw.gov.au.

WHAT IS A REASONABLE ADJUSTMENT?

A reasonable adjustment is a measure or action taken to help a student with disability access and participate in education on the same basis as students without disability. Reasonable adjustments reflect the assessed individual needs of the student, and are provided in consultation with the student and/or their parents and carers. Reasonable adjustments can be made across the whole school setting (e.g. ramps into school buildings), in the classroom (such as adapting class lessons) and at an individual student level (e.g. extra tuition for a student with learning difficulties).

WHAT INFORMATION WILL BE COLLECTED?

Every year your child's school will collect the following information for each student with a disability:

- the student's level of education (i.e. primary or secondary)
- the student's level of adjustment
- the student's broad type of disability.

The information collected by schools will be provided to all governments to inform policy and

programme improvement for students with disability.

WHO WILL BE INCLUDED IN THE NATIONAL DATA COLLECTION?

The definition of disability for the national data collection is based on the broad definition under the DDA.

For the purposes of the national data collection, students with learning difficulties such as dyslexia or auditory processing disorder as well as chronic health conditions like epilepsy, diabetes or asthma, that require active monitoring by the school, may be included.

WHO WILL COLLECT INFORMATION FOR THE NATIONAL DATA COLLECTION?

Teachers and school staff will count the number of students with disability in their school and the level of reasonable adjustment they are provided based on:

- consultation with parents and carers in the course of determining and providing reasonable adjustments
- the school team's observations and professional judgments
- any medical or other professional diagnosis
- other relevant information.

School principals are responsible for ensuring the information identified about each student is accurate.

HOW WILL MY CHILD'S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all students and their families is essential. Personal details such as student names or other identifying information will not be provided to local or federal education authorities.

Further information about privacy is available from www.education.gov.au/notices.

IS THE NATIONAL DATA COLLECTION COMPULSORY?

All education ministers agreed to full implementation of the national data collection from 2015. This means that all schools must now collect and submit information annually on the number of students with disability in their care and the level of adjustment provided to them.

Information about the arrangements that may apply to your school in relation to this data collection is available from your child's school principal and the relevant education authority.

FURTHER INFORMATION

Contact your child's school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability.

You can also visit www.education.gov.au/nationally-consistent-collection-data-school-students-disability.

An e-learning resource about the Disability Standards for Education 2005 is freely available for the use of individuals, families and communities at <http://resource.dse.theeducationinstitute.edu.au/>.
