Week 7 Term 3

QUALITY RESPECT RESPONSIBILITY

31 AUGUST 2016

Spring is upon us tomorrow and the weather is starting to warm up! How the year is flying by!

On the subject of time flying by, last week three teachers – Teresa Price, Robyn Edgar and Fiona Moon were presented with certificates in recognition of their valuable contribution to education in NSW over the last 30 years! Debbie Grainger was also recognised and presented with a certificate for 20 years of service! We are very lucky at Singleton Public School to have such experienced, amazing teachers who love teaching. Being a teacher is a profoundly challenging and rewarding job. No day is the same. Ever. Every student is different and unique with their own style of magic. It is the best job in the world!

I would like to take this opportunity to say a big THANK YOU to the AMAZING families and DEDICATED staff that combined on Sunday morning to complete a number of jobs around the school during the working bee. Many hands make light work and the wonderful workers completed jobs such as putting up the fence line, whippersnipping, cleaning and planting trees. Thank you once again for making our school a great place to be!

Last week, Tairawa attended the State PSSA Rugby Union Championships as a member of the Hunter team. Tairawa played some very tough matches over several days with their team achieving a fantastic third place. Tairawa was selected to be member of the NSW State team to play in the national championships in Adelaide during the October holidays. This is a wonderful achievement for a great athlete, talented sportsman and all round nice kid! Well done Tairawa, we are very proud of you! (Remember the Union tickets for your Year Six Teachers when you are famous!)

I hope parents are taking advantage of the forthcoming fete and getting plenty of extra jobs completed around the house by little workers keen to earn some extra pocket money. The fete is always a great event within our calendar and I know that Mrs Bunnemeyer and the fete committee have been busy preparing a great event for Friday, 9 September. Please endeavour to attend from 10.00 am and remember there will no parking allowed on Hunter Street due to the 'Freedom of Entry' march.

A big welcome home to the Year 4 students that went on the Sydney Excursion! We hope you all had a fabulous time and can't wait to hear all your wonderful tales!

Have a wonderful week everyone!

Di Merrick
Relieving Assistant Principal

Education

Parent feedback survey **NOW OPEN**

This Term, our school is participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Simply click on the link below or copy it into your browser to start the Parent survey:

<http://www.tellthemfromme.com/sps2016ps>

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be open until 21 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>.

Zone Athletics

On Thursday, 18 August the Upper Hunter Zone Athletics Carnival was held at Alroy Oval. After being postponed due to wet weather, a brisk, sunny morning greeted over 600 students, plus family members and friends. School gazebos were quickly hoisted, the canteen was open and the BBQ had bacon and egg hunger busters, sizzling away.

Singleton Public School had 51 students selected to participate in the wide range of events at the Athletics Carnival - a fantastic achievement.

Boys started the day on the track while the girls competed in the field events. By the time the queue at the coffee van had dwindled, it was time for the boys to head off to the field events and the girls to hit the track.

A big thank you to the parents who came along on the day to cheer on their family members and be of assistance.

Congratulations to all the students who competed and represented Singleton Public School. Everyone competed in a friendly and supportive way.

Student's who have made it through to the Hunter Zone Athletics Carnival are:

Lachlan - 9 Years Boys 100m

Logan - 12 Years Boys 100m

To those going to Regionals at the Hunter Zone Athletic Championships in September, we wish you all the best and look forward to hearing about your experiences and results.

Well done everyone.

Mr Ison and Mrs Dibben

The simplest way

...to protect your eyes.

Did you know?
Ultraviolet (UV) radiation can cause both short- and long-term eye issues. Long periods of UV radiation exposure can cause serious eye damage, including cataracts and various cancers.

Choosing the right sunglasses
Sunglasses (even cheap ones!) can protect you if they fulfil these requirements:

- ✓ They are wrap-around, close fitting, with large lenses.
- ✓ They meet the Australian Standard AS/NZS 1067:2003. The standard has five categories of sun protection, from 0 (the lowest UV protection) to 4 (the highest). Choose sunglasses of category 2 or higher, as these absorb 95% of UV radiation.
- ✓ They have an Eye Protection Factor (EPF) of 9 or 10, which blocks out almost all UV radiation.

Don't forget your sun-safe hat to further protect your eyes.

Eye protection at the snow
Snow reflects sunlight so wear goggles or sunglasses which meet the Australian standard AS/NZS 1067:2003. This will avoid 'snow blindness' (sunburn on the eyes' surface) which is painful and can contribute to long-term damage, such as cataracts.

To help keep your kids safe, check your schools SunSmart status by heading to www.sunsmartnsw.com.au

Sores should be covered with watertight dressings. Please exclude if sores on exposed surfaces such as face, scalp, hands. How can I prevent spread? Careful hand washing.

Appointments with Teachers

Due to the many commitments of our teaching staff before and after school, it is asked that if you have any concerns regarding your child, please contact the office to leave a message for your child's teacher to contact you. The mornings are often used for lesson preparation and there are often times when staff need to get away as soon as the afternoon bell goes for after-school meetings, appointments, etc.

Opal Cards

The school received a reminder from the HV Buses for students to "tap on" and "tap off" with their Opal Cards every time they catch the bus.

Positive Behaviour for Learning – PBL

You will then be issued with a late slip/child collection slip to be taken to your child's teacher. This shows the teacher that your child has been signed in or out at the office in line with DoE school attendance requirements. **Please note that students cannot be signed out ahead of time. This is a Department of Education and legal requirement.**

Students will meet under the COLA to watch the school band open the fete at 9.50 am and then at 10.00 am the fete is open! There will be lots of great bargains at our stalls, fun activities and entertainment for all ages. The school canteen will have some yummy fete day treats and a sausage sizzle, however, you are welcome to bring a picnic along.

Our fete is a huge day and very busy. It is important for kindergarten parents to know that kindergarten teachers will be busy running their stalls in the morning and there will be minimal supervision for kindergarten students from 10.00 am to 12.00 pm on fete day. If you have a child in kindergarten who will not be supervised on the fete day, please discuss this with your teacher.

HEADS UP ON FETE DAY PARKING

A very important ceremony, the Freedom of Entry to Singleton, will be exercised by the Area Commander and personnel of the Singleton Military Area on Friday, 9 September, 2016. YES, that's our fete day. Between 300 and 400 soldiers will be forming up in Hunter Street between John Street and the school car park entry from 10:30am to 11.00 am the morning of the fete. **There will be no parking along both sides of Hunter Street between John**

Street and the school car park from 6.00 am to after the parade steps off (about 11:15 am).

Please consider this when planning your arrival at school that day. You will need to access parking in Church and Elizabeth Street if you are arriving at the fete prior to 11:15 am.

The Freedom of Entry to Singleton is a significant event and has only been exercised on three previous occasions. The event on 9 September, 2016, will mark the 50th anniversary of the Granting of Freedom of Singleton to the Singleton Military Area. The granting of the Freedom of a City stems from a very ancient custom of medieval Europe. In the 15th century the movement of armed men was a slow and complicated procedure, unless the goodwill of the towns and cities along the route of the march was received. These cities were usually walled and could prevent their use by passing troops. The privilege of entry was known as Freedom of the City and this rare ceremony is now considered the highest compliment that a city or municipality can bestow.

Singleton Public School has a strong, long-term relationship with our School of Infantry and we look forward to cheering the soldiers as they form up in readiness for this parade.

The Parade itself will march down John Street to the Civic Centre so there will be short-term, yet significant interruptions to traffic movements during this 11:00 am to 12:15 pm time frame on the day.

SO REMEMBER, PLAN YOUR PARKING FOR OUR FETE DAY.

In the Hunter Valley during the colonial years before the 1850s, many of the properties of prominent settlers were on a circuit for visitors in the area, with many of the same people appearing in journals and diaries of visits to the region. Historian Dr Mark Dunn will look at the politics of visitation, who was on and off the list, who was hospitable and who was not, and how those interconnections shaped the valley's social fabric.

Singleton Public School 2016 Magazine, 9th Edition - **Looking for Sponsorship**

Singleton Public School
Magazine
2015

SPS has a proud tradition of producing a school magazine, to celebrate our memories from the school year. Our magazine coordinators produce a high quality keepsake that will stay with families for many years to come.

We are now looking for sponsors for this year's magazine.

Sponsors will be very gratefully recognised in the 2016 Magazine as follows:

\$50 for a business-card sized sponsorship section, \$250 for a half-page, and \$500 for a full page.

The school magazine is not a fundraiser for the school. Sponsorship helps minimise printing costs and therefore allows us to sell it to families for a lower price.

If you are interested in supporting the school magazine, please contact Sandy Tickell, the school's magazine coordinator on 0418 452 905 or email sandhikat@gmail.com.
