Councillors Abbie, Lachlan, Alexis, Harrison, Lucy and Joe.

Presentation Ceremony

Thank you to all of the family and friends that were able to attend our special ceremony on Monday. It is always wonderful to see the high level of support provided to our school. The awards presented during the class awards were diverse and brought a wide smile to many students' faces.

Thank you to Mrs Hamilton, Mrs Pearce, Mrs Van Der Wel, Mrs Holford and our administration staff for their organisations of the ceremony. Our invited guests were very complimentary about the conduct of our students, as well as the Vivid performance and band.

Commencement 2018

Please put down on your calendars that school will recommence on Tuesday, 30 January for all classes except Kindergarten. Our enrolment numbers are very tight and will need to be assessed to ensure that we can make twenty classes across the school. Students should put their bags in their 2017 class area on Day 1.

Thank you Mr Ison

We bid farewell to Mr Ison this week as he has secured a permanent appointment in the Thornton area from 2018. Mr Ison's contribution as a Stage 3 teacher and assistance with music and sports programs will be missed. We wish him all the very best in his new adventure.

The simplest way

...to add fruit and veg to a barbecue.

There are plenty of ways to add fruit and veg to your backyard barbecue menu.

Kebabs – add capsicum, zucchini, eggplant and mushrooms to pork, chicken or lamb.

Grilled fruit – grill some pineapple pieces or nectarine halves. Enjoy on their own or add to a salad.

Chips – slice potato or sweet potato and grill on the hotplate.

Salad – grab some green leaves and toss in tomato, cucumber, carrot, beans, capsicum or whatever takes your fancy! For a fruity twist add one of these – sliced mango, strawberries, apples or grapes.

School Student Transport Scheme

This is a reminder regarding the School Student Transport Scheme (SSTS) and students progressing from Year 2 to 3 and Year 6 to 7.

Transport have made some improvements to their system which now means that students who are progressing to Year 3 and Year 7 do not need to reapply if they meet the following three conditions:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

The system has automatically validated a student's ongoing eligibility if they're at the same school and progressing to Year 3 and Year 7. Where a student met the new eligibility the system has updated their entitlement and card. If they didn't meet the new eligibility, they would have been sent an expiry notification.

If students need to update any information or reapply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>.

Applications need to be submitted before 31 December 2017 to ensure students' entitlements are updated and their current card is not cancelled. If their application is submitted after 31 December 2017, the system will automatically cancel their card and a new one will need to be issued.

Students in the Opal network applying for an SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during the 3rd week of January 2018.

Students residing in Rural and Regional (R&R) areas should receive their new travel pass at the commencement of the new school year in 2018. Note: some R&R operators do not issue travel passes. Students should check with their operator for more information.

K-2 and Support Unit Christmas Concert

Cyber Safety

ARE THINKING OF BUYING YOUR CHILD A SMART TOY, SMART PHONE, TABLET, E-SITE MEMBERSHIP OR SOMETHING SIMILAR THIS CHRISTMAS?

Children and teenagers are going online and using social media with increasing frequency. While many enjoy their online experiences, there are risks involved. Parents, schools and the broader community need to work together to help keep children's online experiences safe.

The Commonwealth Office of the Children's eSafety Commissioner has developed a resource for parents – iPARENT – which helps parents deal with the connected devices in their children's lives.

iPARENT – found at <https://esafety.gov.au/education-resources/iparent> - provides facts and statistics about Australian children online, managing technology in the home and strategies that can be used by parents to keep children safe online.

A parent's guide to online safety can be downloaded from this site. A range of other useful information is also available from the website. For example parents can access information about cyberbullying including:

- how to talk to their child about cyberbullying
- what to do if their child is being cyber bullied or is engaging in cyberbullying behaviour themselves; and
- sources of professional support and help.

The website also provides information about how parents and children can report unwanted online contact and/or inappropriate, offensive or illegal content online.

If you are thinking of buying smart toys, smart phones, tablets, drones, e-gift cards or membership in an e-gaming site may like to check out the e-Safety Commissioner's eSafety Christmas Gift Guide at - <https://www.esafety.gov.au/giftguide> - so you can be savvy and secure when you pick out tech gifts this Christmas.

Finally, if someone you know is adversely affected by an online experience, free and confidential advice, assistance and support is available from:

- the Kids Helpline (ages 5 to 25) on 1800 55 1800; and/or
- eheadspace (ages 12 to 25) on 1800 650 890; and/or
- Lifeline on 13 11 14.

Of course if you need urgent assistance ring 000.

Swimming Carnival

2018 Annual Swimming Carnival

A wonderful day was had by all at the local Swim and Gym on Wednesday, 6 December for our 2018 swimming carnival.

The children had a very successful day and were well behaved. There were many parents in attendance to cheer on their children, which was great to witness.

A huge thank you to all the parents who volunteered their precious time to assist with timekeeping duties as without their help we would not have been able to run the carnival.

The successful competitors will be awarded their ribbons at an assembly in Term 1, 2018. The winning house and the age champions will also be announced and presented with their trophies. The date will be advertised in the newsletter.

We are publishing the results in this newsletter to allow children who will be representing the school at the Upper Hunter Zone Carnival in Scone plenty of time to practise over the summer holidays. Last year the first three place getters in the 50 metre freestyle age races went to zone. The first two place getters in all other events went to zone and the relay team consists of the four fastest swimmers in the Junior and Senior divisions. We assume that 2018 will be the same. Mrs Black and Ms Zeidler will nominate the team next year.
