Week 7 Term 2

QUALITY RESPECT RESPONSIBILITY

13 JUNE 2018

'Super Citizen' Afternoon Tea

Congratulations to the Term 2 Week 1-5 students who have been recognised as SPS 'Super Citizens'. The students and I had a delicious afternoon tea with homemade cookies (from the amazing Lisa at our canteen) along with milk and juice to celebrate their achievement. I am looking forward to celebrating with our Week 6-10 students on Friday of Week 10.

Kindergarten 2019

Parents and carers are requested to contact the school office to register their children for Kindergarten 2019. The Department of Education is enforcing school zoning restrictions across the State and this may impact the availability of places within our school. Non-local enrolments will be subject to the 'Non-Local enrolment' procedures and a panel will meet to consider any applications.

Winter is here

With the cold weather well and truly arriving over the last few weeks it is a timely reminder for students to be wearing our school uniform and jumpers to keep warm. Please remember to label all clothing with your child's name so if it becomes lost it is able to be found more easily.

ATSI Morning Tea and PLP's

We are looking forward to meeting with parents and carers of our ATSI students on 22, June for morning tea and discussion around your child's PLP goals and achievements.

Ms Deanne Brown
Principal

Support Unit news

Last Friday, 8 June, some of the students from the Support Unit participated in the Newcastle Multi sports day held at the Forum, which was organised by the Department of Education. The students who attended had a fun filled day challenging themselves and getting out of their comfort zones. They were all engaged in the activities and participated in team and individual sports such as cricket, soccer, golf and hockey. Thank you to our volunteers Fran Foster and Wendy Mullen who were fantastic helpers.

Morning Muster

The school is trialling having a "Morning Muster" only once per week on a Monday morning. This is try to increase the amount of learning time for students in the morning session. Announcements from Tuesday to Friday will be delivered in class by the class teacher.

Classes will still line up for the day under the COLA and be collected by their class teacher.

Our school is currently reviewing our evacuation procedures and will be undergoing an off site evacuation next week some time. A notice will be put on the App once this has been completed.

Late arrivals or early collection of children

If your child is late to school or needs to be collected from class before 3.10 pm, parents/caregivers must first report to the school office to sign the Student Leave Register and sign in as a visitor to the school. This shows the teacher that your child has been signed in or out at the office in line with DoE school attendance requirements.

Too sick for school?

As the cold weather hits, so do the winter bugs. It's often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety's sake, if your child seems unwell you should always keep them home from school and seek medical advice. School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser <http://www.schoolatoz.nsw.edu.au/documents/49158/49542/Too%20sick%20for%20schoolFINAL.pdf>.

Upper Hunter Science and Engineering Discovery Day 2018

Selected students have been chosen to represent our school at this event. Mrs Grainger and Mrs Moore will be accompanying the students on this excursion. Children will need to wear full school uniform and bring morning tea and drinks. A sausage sizzle will be in operation for lunch provided by the Rotary Club of Muswellbrook. Please provide an appropriate lunch if your child does not wish to join in the sausage sizzle.

The bus will depart the Elizabeth Street gates, Singleton Public School at 8.15 am. Anticipated return is 3.10 pm.

Hunter Life Education Van

The 'Healthy Harold' Life Education Van will be at Singleton Public School from Monday, 25 June to Wednesday 4 July 2018. All classes will visit the van in separate sessions over this period. Each grade follows a different program so it is important for children to participate each year. The programs address many of the components and objectives within the NSW PD/Health/PE curriculum. A brief outline of the program contents is included on the permission note. The cost is \$10.00 per child. **Permission notes and money** must be paid to the class teacher no later than 12.30 pm on **Friday, 22 June**. This enables the office staff to compile reports of payment for the class teachers. **The Hunter Life Van is covered by Supercover, so if you have paid Supercover there is no need to pay for this event.**

Sporting Schools

Sporting schools will conclude for Term 2 on Wednesday, 20 June.

Kindergarten Enrolments 2019 Open

Is it becoming time for your child to commence their school education? The school is now able to register names of all siblings and family members for Kindergarten 2019. If you would like to start your child at school next year, please contact the school office to record your interest.

Full details of information evenings, transition days and enrolment forms will be sent out in Term 3 to all names on the school's register.

School Photos

In 2018 John and Tanya Parmenter will once again be taking the Singleton Public School School Photographs. They are members of a national group (MSP Photography) of highly successful photographers committed to providing professional photography and personal service at a competitive price.

MSP Photography use a pre-pay system for their photographic services either cash (correct money only) or you can also make online payments to MSP (see the instructions on the photo envelope for full details). A personalised envelope was sent home to students in Week 2, giving you the opportunity to order and pay for your children's photographs before they are taken. Please check your child's details are correct and that names are spelt correctly – make any changes in red. They offer a 100% money-back guarantee if you are not completely satisfied with the photographs.

The personalised photo envelope needs to be filled in correctly, payment enclosed or receipt number from online payments written on the envelope, **and returned to school on the Photo Day Thursday, 21 June 2018 (Week 8, Term 2).**

Please do not misplace the envelope as it contains a shoot key that enables you to order and pay for the photos online and a barcode for the photographers to scan on the day.

The correct money for each student should be placed in their individual envelope. However, payment for all students in a family can be placed in one envelope. It is important that each member of the family hands in their own personalised envelope to the photographer - one order per envelope please. If you are including one payment for the whole family, the photo envelopes have a section towards the bottom of the envelope to include this information (eg "This envelope is empty, payment is enclosed with Joe Smith, 5E").

Student Council and House Captains are to be at school at 8.50 am for 9.00 am photo.

If ordering more than one package of photos or class photo, please indicate clearly by adding the number required next to the appropriate box. (eg x 2).

Family/sibling photo envelopes are now available from the school office. These envelopes will also need to be **returned to school on the photo day**. The family photos are for Singleton Public School students only.

Group photos will be taken on the day for our Student Council, School Leaders and School House Captains and Vice Captains. These photos are often before school. Children in these groups will need to be at school by 8.50 am and meet at the back of the hall, ready for the group photos at 9.00 am. The photos will be able to be ordered approximately 4 weeks after the school photos. A personalised order form will be sent home once they are available to order with the student's name on it and a notice will also appear in the school newsletter.

Please note: the school office or canteen does not handle change or money for photo day so the correct money is essential. The school office closed for the staff photo from approximately 8.30 - 9.00 am.

Full school uniform must be worn by all students, including navy socks and black shoes.

P&C News

Last Wednesday night, June, 6 the P&C held their June General Meeting. Thank you to all those in attendance. It was a big meeting with a few big items decided on.

Firstly, it is with much excitement that we let you all know that we are pushing on with our Playground Upgrade, whilst we are only in the early planning stages, we have a way forward and we are very thankful to Ms Brown for helping to establish our new path. We do know that this is going to be a VERY costly project and we will need to raise a large amount of money to get this project completed. The bottom line is that unless we all make the effort to raise money for this project nothing will change, we need to gather the funds to make the playground a more safe, enjoyable and inspiring space for our children to play in. So where will the money come from? The P&C already has raised approx. \$50,000 which is ready and waiting to be spent on this project. We will also be applying for grants to help fund the project. In addition, we need to also undertake some playground specific fundraising. We have decided on a few ideas that we are confident will help reach our fundraising goal and will let you know how you can help in the coming weeks once the details are finalised.

Some very exciting changes are also happening in the canteen. At the June meeting approval was given to set up online ordering for canteen lunch orders through Flexi Schools. This online ordering service is a safe and secure way for you to order lunches from your device wherever you might be. This is going to save Lisa, Tracy and all the canteen volunteers valuable time collating and sorting orders and counting money at the beginning and the end of the day. Many schools have introduced online ordering and from all accounts it has the potential to increase sales and save time which sounds like a win win situation. Keep your eyes out for more information over the next couple of weeks with all the details for you to get started to order online.

Planning is underway for our annual major fundraiser the much-anticipated SCHOOL FETE! This year the fete will be held on Friday, 7 September. Further details will be made available in the coming weeks once plans are put in place. This is a super fun day for families to come along to the school and share a day full of games, prizes, raffles and activities. Mark the date in your diaries now! All funds raised from the Fete will also be directed to the playground upgrade.

We are also looking for concreters or paver laying experts to help with some remodelling works on the sandpit. If you know someone handy in these areas please get in touch, we would love to offer them a chance to show off their skills to the entire school community!

VOLUNTEERS – are the glue that holds the entire P&C function together and we are always looking for more people to get involved. Breakfast Club is particularly short of volunteers on Mondays, Wednesdays and Fridays so if you can spare an hour on these morning we would love to hear from you.

It is a very exciting time to be involved in the P&C with many projects that need to be organised, so please come along to a meeting, get in touch with one of the committee members or speak to Lisa in the canteen to find out ways that you can help out.

Like our Facebook page to stay up to date with everything that is going on.
