Congratulations to Sharmyn Zeidler who received an award for Excellence in Teaching, Vivid Group for School Achievement Awards, Karen Andrews for Outstanding Contributions for Non-Teaching member, Charlie for Excellence in Student Achievement, Lillyan for Outstanding Achievement in Aboriginal Education and Sandy Tickell for Outstanding Contribution by a School Community Member, for receiving the 2019 Education Week Awards. Public Speaking

Our school Public Speaking Finals were held yesterday in the school hall. Our student speeches were of an exceptionally high standard and the class finalists are all to be commended on their achievements. Thank you to Mr John Quinn for his expertise in adjudicating and working with me to select our Zone Finalists to represent SPS.

The Zone Representatives are Stage 3—Erin and Indi

Stage 2—Mitchell and Grace

Stage 1— Charlotte and Rosie

Goodooga

Our trip to the Indigenous Games was an exciting and incredibly valuable experience for our students. The Indigenous Games event saw our students participate in mixed teams (K-12) with both city, rural and remote schools from across the state and even a school group from Canberra. The opportunity to learn about the Goodooga community, indigenous culture and make connections and form the start of friendships, is something that will form part of their lifetime school memories and gave our students an authentic opportunity to learn and experience the far north west of NSW. The hospitality of the Goodooga community was friendly, welcoming and inclusive. We thank Goodooga for their welcome and look forward to further visits and communication with the school and community.

Staff Development Day

As per the school's communication in the newsletter, App and school Facebook page, several of our public schools in the Singleton Learning Community will be undertaking Professional Learning together on Monday, 12 August, from 9.00 am to 4.00 pm.

This professional learning is called Visible Wellbeing. The keynote speaker, Professor Lea Waters is a positive psychology expert in regards to education, organisations and parenting. Professor Lea Waters has devoted her time to help people thrive using the science of positive psychology. Our schools are striving to create positive wellbeing across our communities, and to strengthen our partnerships with the Where There's a Will foundation.

Because of the availability of Professor Waters in coming to the Singleton Learning Community, our schools have had to rearrange our Staff Development Days.

Our school will be closed on Monday, 12 August, Week 4, so staff can attend the Visible Wellbeing workshop. This will also include our office staff. Therefore there will be no one on site on this day.

We apologise for the inconvenience that this may cause.

The simplest way

... to pack a healthy lunch box

The average school child will eat more than 2,500 lunches during their 13 years at school.

Cancer Council's website healthylunchbox.com.au is a one-stop-shop for everything families need to know about packing a healthy lunch box.

Parents will find information on the five food groups, what constitutes a healthy lunch box, sandwich alternatives, sandwich filling ideas, snack ideas, swaps for unhealthy snack foods, recipes and tips. The website features an [interactive healthy lunch box builder](http://healthylunchbox.com.au) where parents can get their kids involved in planning the lunch box and choosing foods they will eat and enjoy.

The Premier's Debating Challenge for Years 5 and 6 Gala Day

Our debating teams attended the second Premier's Debating challenge gala day on Tuesday of Week 2 at Singleton Heights Public School. Both teams came away with a round 3 win beating King Street Public School on a very well thought out debate. The teams will now verse each other in round 4 during Week 3.

Classic Shield Hunter Champions!

Singleton PS Rugby league team played the semi final and final of the classic shield two weeks ago. Our first game was the semi-final against Thornton PS. The boys played well and emerged winners which meant we had to play Valentine PS who had beaten Foster PS in their semi final. We had last played Valentine in the Knights Knockout grand final where they had beaten us quite convincingly. The boys were determined to beat them this time and played heroically. In a see sawing and thrilling game Singleton managed to score and convert a try in the final minutes to win the game! This means we are the PSSA Hunter Regional champions. We now play the Sydney North Regional champions, Wamberal PS, in the State Quarter Finals at Port Macquarie next Friday, 16 August.

Once again, thank you to the supportive parents and especially Mr Davidson, Mr Gilmore and Mr Vesper.

Sale of School Drum Kit - Silent Auction

The school has used Basix brand drum kit that is excess to our requirements. The kit includes bass drum, snare drum, high and low toms, floor tom, high hat, crash cymbal and stool.

As part of the school fete this year, a silent auction will be held for the sale of the drum kit. The reserve price is \$150.00, therefore bids must be over this amount.

There will be a bid card available on the day on which people can record their bids during the course of the day. People can return at later times and update their bid if they have been subsequently outbid.

The final bid must be received by 1.00 pm when the auction will close and the winner contacted.

Nut Allergies

A reminder that there are children in our school who have life threatening allergies to nuts. This includes all nut products including peanut butter and Nutella. Even a trace of peanut butter on another child's breath or coming in touch with some residual peanut butter from eating lunch can be fatal for children who are anaphylactic. Please support these children by not sending your child to school with any nut products.

Updating Parent/Carer Email Addresses

Singleton Public School will be trialling a new practice where some messages and/or notes will be bulk emailed to parents/carers over the coming months from a no reply email address.

Therefore to ensure the school has your most current email address, can you please complete the slip below and return it to the office as soon as possible.

The enrolment system can take up to three email addresses – a family email address, one for parent/carers 1 and one for parent/carers 2.

The emails will be sent to either the family email address or all email addresses on the system, so it is important to add a family email address (even if it is the same as one of the parent/carers addresses).

Thank you for your participation in our trial.
