## From the Principal

### End of year is almost here!

Our summer break is almost here and we are looking forward to spending some time saying goodbye to 2020 and welcoming in a new 2021 with hope and positivity about what the coming year will bring. On behalf of all the staff at SPS, I would like to extend our best wishes for a Merry Christmas and a festive, celebratory New Year to all our families and community. Enjoy some sunshine, relax doing things that spark joy, be safe, be kind and re-energise ready for whatever 2021 has in store for us all.

### Presentation Ceremony

Our Presentation Day was held on Monday with many new and exciting elements. Our livestream was received very well by our community and thankfully proceeded without any technological glitches. Our students have all worked considerably hard to achieve their learning and social goals throughout 2020 and we are very proud of each and every student. Thank you to Presentation Day team of administration and teaching staff for their organisation of the ceremony and the coordination of all the technology.

### School Reports

Our teaching staff have been working hard to complete Semester 2 reports for all of our students. Reports were sent home on Monday, 7 December with students. Copies of reports for non residential parents will be mailed this week as well.

### Commencement 2020

There are two Staff Development Days at the beginning of Term 1. Staff will return to school on Wednesday, 27 and Thursday, 28 January for Professional Learning.

### School will recommence on Friday, 29 January for all classes, including Kindergarten.

Our enrolment numbers continue to fluctuate and will need to be assessed to ensure that we can form our classes across the school. Teachers and class allocations will be finalised for the commencement of the 2021 school year. Every effort is made through an extensive collaborative process with staff to make classes that are harmonious, productive and the 'best fit' for students.

Students should put their bags in their 2020 class area on Day 1. We will line up for morning muster under the COLA and students will then commence the day with their peers and teacher from their 2020 class as we confirm enrolment numbers. We will be undertaking a number of Grade and Stage based activities on the first day to support our students re-establish their connections with their peers, welcome new students and settle into the 2021 school year.

### COVID19 Guidelines for 2021

We have received DRAFT guidelines to allow us to commence planning for school activities commencing in 2021. The NSW DoE will release 2021 back to school guidelines mid-late January for daily school procedures, school activities and events.

When these are received, we will advise changes and updates through the school app and on our school Facebook page.

### Holiday communication

Please continue to check the school Facebook page and the school app during January for reminders, updates and important information regarding the start of 2021.

## Aussie Bush Year 5 Recount

Last week was the Great Aussie Bush Camp and it was the best! It was SO much fun! We did lots of awesome things like the flying fox, giant swing, power fan and so much more! We also worked on teamwork, hesitation and encouragement. We were in cute little cabins/tent for the two whole nights, I was with my friends for most of the day. The food was absolutely amazing and we got to have 5 or 6 snow cones. The County Fair was also very fun, I forgot to pay with my fake money for my nails and one of my friends game me an extra large piece of double chocolate cake for five fake dollars! I will never forget my Year 5 Aussie Bush Camp experience.

Chloe

Last week I went to the Aussie Bush Camp and I did all the activities. The activities were: giant swing, high ropes, commando, power fan, mud world, county fair, rock climbing, canoeing and dual flying fox. The giant swing was my favourite but the bad thing was that the rope came apart before I pulled it down so I started swinging before I should have. Luckily I got a second turn where I got to the top, which was eighteen metres high! I also liked mud world because I got covered in mud!

Max

Day 1:

On Wednesday morning all of the students in Year 5 were excited to get on the buses to go to the Great Aussie Bush Camp. All of the teachers marked the roll and the students got their bags and put them on the buses and got on the bus. The teachers double checked to rolls to see everyone was there, the buses engines roared and off we went.

When we got to the camp, one of the camp instructors got onto our bus and told us what to do when we got off the bus. We had to grab a random bag or suitcase and take it over to our camp site. We then had to sit on the logs and the instructors told us what cabins we were in. Jed and I were in a cabin with Tristan, Max, Thomas, Kadah and Lincoln. Our cabin number 3-2. After that we had lunch, we had burgers! Yummo! On our burgers we had an option of toppings of tomato, cheese, lettuce, beetroot and carrot and sauce. I had everything on my burger, it was delicious! After that we had the mud run, our first activity.

After that, we had shower and had dinner. For dinner we had spaghetti bolognese with garlic bread. We then played commando before hopping into bed. The boys couldn't stop laughing because it was too quiet.

Day 2:

Thursday morning at 5.00 am, I woke up and stared at Jed. Jed woke up and we talked quietly. At 6.00 am the instructors yelled at us to wake up and get ready for breakfast. For breakfast we had toast with scrambled eggs, spaghetti and juice. After breakfast we brushed our teeth and got ready for our first activity. Our first activity was the flying fox. The flying fox was really fun, Max and I went together. We sang 'Let It Go' for the movie Frozen. Our next activity was the giant swing, some people went all the way and some didn't, I went all the way. After giant swing we had lunch, we had sandwiches and after that we had canoeing. We had a couple of games while paddling the canoe.

We had the county fair that night. We got into groups of 7 or 8. We had different activities to look after. In our group was Mitchell R, Max, Kadah, Tristan, Ewan C and myself. We did the shootout as our activity. When all the students were tired and exhausted, we all brushed our teeth and went to bed.

Day 3:

On Friday morning we had to clean our cabins and put our stuff under the covered area. We went to have breakfast. Then we went to our first activity. It was the high ropes. I was partnered with Tristan, when we did high ropes we also did another flying fox. After the high ropes we had the power fan, it went up 12 metres into the sky! After that we got our suitcases and put them on the buses and headed for home!
