ICAS Assessments

Each year the International Competitions and Assessments for Schools (ICAS) offers students the opportunity to participate in assessments across a number of curriculum areas for children in Year 3-12.

These assessments occur in Term 3. A new ICAS assessment is developed annually for each subject in each year level by a team of subject matter experts.

All ICAS assessments are reviewed by experienced teachers to ensure that they accurately assess students' skills and are relevant to what they are learning at school. Each assessment is sat at the student's school and is supervised by a teacher under normal examination conditions.

This year we are offering any interested children from Years 3-6 the chance to participate in the following ICAS assessments:

- Digital Technologies (Computer Skills): Thursday, 11 August
- English: Thursday, 18 August
- Science: Thursday, 25 August
- Mathematics: Thursday, 1 September

Please note: This year the assessments will take place from 8.00 am in the school's computer lab. Therefore, please ensure you are able to have your child at school at this time on the dates above.

The price of each assessment is \$17.50, payable to the school office. If you would like your child or children in Years 3-6 to participate in any of the assessments please complete the form below and return it with payment to the school by Friday, 24 June. Late entries cannot be accepted.

Katrina Hackett
Assistant Principal/ICAS Organiser

Deanne Brown
Principal
