Third Party Providers for Information and Communication Technology (ICT) Learning

Dear Parent/Carer

Singleton Public School is committed to providing a technology-rich environment for our students. Our school community considers the use of Information and Communication Technology (ICT) to be fundamental in assisting teaching and learning in all areas of the school curriculum.

The school uses third-party providers offering web-based educational resources and cloud-based storage to support our administrative functions and enhance student learning outcomes. The department has a service agreement with some providers it has assessed as meeting privacy and security standards required of the department. The school offers students access to a number of services in addition to these. In most instances, students are required to register before accessing an online service. Registration involves either a staff member or student entering identifying information such as name, grade, and email address onto the provider's platform. This and any other data entered in the course of accessing the application may be stored on servers located in Australia or off-shore in a country not subject to NSW privacy laws.

Your consent is required for your child's information to be provided to these third-party providers. Before giving your consent, it is important you understand what student information is collected, how it will be used and who may have access to it. The table below lists each of the third-party providers the school intends to use this year with a link to the website. If you require further clarification of these services, you can contact the school.

We are seeking your consent for Singleton Public School to provide your child's personal information to access these online service providers and, where required, for your child to enter his/her personal information.

Please complete the consent below attached and return to school office.

Amy Kennedy
Principal

Consent to use third party web and cloud-based service providers

Student name: _____

Parent/Carer names: _____

Parent/Carer signature: _____

(Please **circle** the appropriate response)

Seesaw **consent** **do not consent**

Epic! Reading **consent** **do not consent**

ACER **consent** **do not consent**

Typing Club **consent** **do not consent**

Box of Books **consent** **do not consent**

Sunshine Online **consent** **do not consent**

Kahoot! **consent** **do not consent**

StudyLadder **consent** **do not consent**

Blooket **consent** **do not consent**

Splashlearn **consent** **do not consent**

Little Learners Love Literacy **consent** **do not consent**

Sound Waves **consent** **do not consent**

Prodigy Game **consent** **do not consent**

.....
This consent remains effective until I advise the school otherwise.

In addition to the services listed above the school uses Microsoft Office 365, Canva for Education, Book Creator, Inquisitive, Reading Eggs, School Bytes, MSP Photography, Sentral and Google for Education. The department has entered into an enterprise agreement with each of these providers after assessing their privacy impacts and data security controls as compliant with NSW privacy requirements. Further information is available from the privacy information sheets available at <https://education.nsw.gov.au/public-schools/going-to-a-public-school/privacy-information>

I acknowledge that my child must abide by the conditions of acceptable usage set out in the department's **Student use of digital devices and online services** and that any breach of this policy may result in disciplinary action in accordance with the school's disciplinary policy.
